

Welcome to Lexington Farmers' Market 2018! Will be open Wednesdays beginning June 13th through October 3rd from 3:00-7:00 p.m. We are located in the Lovell Building parking lot located at 4175 Lovell Rd. (just off of Lovell Road and Lexington Avenue) in Lexington, MN 55014. Our market features a variety of fresh, locally grown, quality produce and plants as well as quality handmade goods crafted by local artisans. The market will encourage a healthier lifestyle and allow residents to get to know local farmers. Also, it will help to educate children about the benefits of farming and eating healthy! If you have questions, please call Julie Vanderbloomer, Market Coordinator at 651-356-9491. See you at the market!
