

# COMMUNITY EMERGENCY RESPONSE TEAM

LOOKING FOR COMMUNITY MEMBERS TO JOIN THE TEAM!

## The Goal of the Community Emergency Response Team (CERT):

Community Readiness is important to the safety and well-being of you and your loved ones. It means the difference between panic and calm, between knowing what to do and not knowing.

When you engage in the CERT training, you gain skills and confidence that you can use any time, any place, to help yourself and to help others in crisis.

Work alongside first-responders and learn how CERT can serve a variety of purposes in a large-scale event.
