## Video Production

Municipal Producer, Trevor Scholl, completed five productions in June. The shows include two projects for the Blaine Police Department and two community event stories. In addition to those productions, Trevor provided technical support for a Blaine Facebook Town Hall. Programs were also produced by T.J. Tronson, Kenton Kipp, Danika Peterson, and Rusty Ray for the city channels. Trevor reaches out to city officials and department contacts, every month, regarding potential programming for the channels. City staff and elected officials are encouraged to contact Trevor with any ideas or requests for programming.

- June: Discovered Genesis access issue through the VGA access and DOS prompt. Had to create an access path to the server. Informed staff and Tightrope of ability to gain access. Tightrope was able to log in and commission the new servers.
- June: Replaced Flex 4 servers with new VIO servers. Had to reconfigure and create access path for each unit.
- 6.2. 22: Te-transferred old VOD database to new servers.
- 6.10.22: Discussed setting up the ENCO with Tightrope/ENCO staff.
- 6.15.22: ENCO installation and commissioning.

## Channel Management

Programming Coordinator, Michele Silvester, along with help from Eric Houston, and Trevor Scholl, is responsible for processing and scheduling the programming on the City channels. There are three categories of programs that are scheduled on the City channels; live and replayed meetings, NMTV staff created video content, and informational graphics pages. All categories of programming must be encoded, scheduled, and entered into the Tightrope playback system or entered into the Carousel video files. As each live meeting is being recorded at City Hall, it is routed to the North Metro TV head-end and then sent out over the cable system live. At the same time it is also encoded on a server for future playbacks. The following meetings were processed in June:

<b>24 New Programs</b>		<b>26:59:56 New Hours</b>

Meetings are scheduled for replay based on schedules requested by each City. Additional longer-length video programming, produced by NMTV staff, is also scheduled on the channels. With the arrival of the Carousel units, shorter-length videos and promos are loaded onto those devices, rather than being scheduled as separate playbacks. The short videos cycle through, with graphics pages, and play on the channels whenever a scheduled program is not playing. Depending on whether a City selected the split screen or full screen Carousel option, the shorter videos are cycling 24 hours a day. The table

below outlines how many times a longer-length video program was entered into the Tightrope system, and played back on each City channel.

<b>City</b>	<b>Number of Times Programs Played</b>	<b>Hours Programmed on Channel</b>
Blaine	183	209:57:26
Centerville	57	136:26:11
Circle Pines	155	65:19:25
Ham Lake	59	30:25:39
Lexington	93	46:27:31
Lino Lakes	64	50:09:32
Spring Lake Park	135	211:51:35
<b>Totals:</b>	<b>746 Program Playbacks</b>	<b>750:37:19 Hours of Video Programming on Channels</b>

The last category of programming on City channels consists of bulletin board, or graphics pages, that display information about the City or about events and issues of interest to citizens. With the installation of the Carousel units, Eric Houston has assumed responsibility for updating the information on all seven channels. He works closely with each City's representative to ensure that all requested data slides are created and posted to the satisfaction of the City. Even though Eric is doing the work of creating the data pages, the Cities maintain editorial control. In addition to the graphics pages, the Carousel units play video. Trevor Scholl is responsible for encoding any short videos that are displayed. The following work was done for City Carousel units in June:

**Blaine**

- Transcoded and uploaded 3 videos to Carousel.
- Corrected problem with the date and time display that cropped up after the move from Carousel to Tightrope's new CG system.

**Centerville**

- Transcoded and uploaded 1 video to Carousel.

**Circle Pines**

- Transcoded and uploaded 1 video to Carousel.

**Ham Lake**

- Transcoded and uploaded 1 video to Carousel.
- Created 6 new Carousel graphics page.
- Corrected problem with the date and time display that cropped up after the move from Carousel to Tightrope's new CG system.

**Lexington**

- Transcoded and uploaded 1 video to Carousel.

**Lino Lakes**

- Transcoded and uploaded 2 videos to Carousel.

**Spring Lake Park**

- Transcoded and uploaded 1 video to Carousel.
- Created 6 new Carousel graphics page.

## Meetings on Demand

NMTV has created a video on demand service, with line-item bookmarking, for our Cities' meetings. In order to accomplish this, each encoded meeting has to undergo several steps. The meeting must first be transferred and transcoded from the playback server to the video on demand server. Once that is done, a staff member must go through the meeting entering a bookmark at the start of each meeting line-item, and enter the corresponding line-item information. Next, the meeting is linked to the NMTV website's city meeting page for video on demand. The following number of meetings were bookmarked and/or placed on VOD for the Cities in June:

### **Blaine**

- 4 meetings bookmarked and placed on VOD.

### **Centerville**

- 4 meetings bookmarked and placed on VOD.

### **Circle Pines**

- 4 meetings bookmarked and placed on VOD.

### **Ham Lake**

- 4 meetings bookmarked and placed on VOD.

### **Lexington**

- 2 meeting placed on VOD.

### **Lino Lakes**

- 3 meetings bookmarked and placed on VOD.

### **Spring Lake Park**

- 3 meetings bookmarked and placed on VOD

## Administrative

Issues dealt with in June include finalizing the 2023 NMTC budget, wrapping up the metro-wide pay study, attending the annual MACTA conference and inching forward with the introduction of closed captioning.

### **2023 NMTC Budget Process**

- Presented recommended budget to Operations Committee, Executive Committee and full Commission.
- The Commission approved the budget as presented.
- Wrote cover letter for budget.
- Sent all budget materials to cities for consideration by Councils.

### **Goals Progress**

- Received all data for metro-wide pay study from participants.
- Completed benefits comparison spreadsheet.
- Collected job descriptions from participants.
- Collected all raw job/salary data in spreadsheet.
- Began to chart job/salary comparisons in spreadsheet.
- Requested additional information from some participants.
- Scheduled third staff meeting to discuss strategic plan.

- Attended annual MACTA conference. It was a pretty good one. Attended sessions on closed captioning, franchise renewal, legislative updates and learned how to be more comfortable on camera.

### **Closed Captioning**

- ENCO system installed and commissioned.
- Waiting for Municipal Captioning technician to finalize captioning integration with Tightrope system. Many obstacles to this scheduling....

### **Miscellaneous**

- Talked with Denise Webster regarding AARPA funds.
- Emailed Mike Bradley with AARPA questions.
- Provided Mark Statz with requested budget information.
- Sent auditor additional minutes.
- Sent invoice to Columbia Heights for parade coverage.
- Attended eNATOA webinar: Powerful Team Gets Results. I learned we have a pretty good process.
- Wrote minutes for Operations Committee, Executive Committee, and full Commission meetings.
- Received and documented monthly Comcast subscriber reports.
- Read June Legal Report.
- Read industry articles.

# North Metro TV

June 2022 Update

## Program Production

In June, a total of **68 new programs** were produced utilizing the North Metro facilities, funds, and services. This constitutes **62:00:00 hours of new programming**.

- 22 programs were produced by the public
- 42 programs were produced by NMTV staff
- 4 programs were produced by City staff

## Van Shoots

The HD production truck was utilized for 48:45:00 hours of production in June. The following events were produced live and/or recorded for additional playback:

- Baseball: 7AAAA QF: Duluth East vs. Blaine
- Softball: 5AAAA Championship: Maple Grove vs. Centennial
- Blaine High School Graduation
- Girls Lacrosse: 7A SF: Forest Lake vs. Centennial
- Boys Lacrosse: 7A SF: Duluth vs. Centennial
- Spring Lake Park Tower Days Parade
- Centennial High School Graduation
- Columbia Heights Jamboree Days Parade (Commercial production)
- Blaine Festival Parade

## vMix Live Streaming Shoots

The vMix single camera production system was utilized to record/stream 1 event. The vMix system requires significantly fewer staff members than the production truck. vMix crews are spread out over multiple locations and connected via the internet.

- Boys Lacrosse: 7A Final: Chisago Lakes vs. Centennial
- Blue Heron Kindergarten Graduation (Commercial production)

### Veteran Memorial Story Praise

One of the news stories produced by Rusty Ray in June was about the dedication of a memorial bench at Blaine Veteran's park. A Ham Lake native, Eric Bakken, dedicated the memorial to his friend, who was killed in combat, in Afghanistan. The family of the soldier killed came all the way from Micronesia for the dedication. Eric had this to say about the story Rusty produced. "...you guys did a fantastic job. Honestly, one of the better and well rounded ones I saw, and I wanted to say thank you! Great job!!"

### Summer Events

Summer is always a pretty busy time for us at North Metro TV. Spring high school sports wrap up, and we certainly cover any Blaine, Spring Lake Park or Centennial team that makes into tournament play. This year, high school coverage wrapped up in early June with the Centennial and Blaine High School graduations. Between the two, NMTV has received nearly 5,000 views on Youtube. Next up, city parades. In June, staff recorded the Spring Lake Park Tower Days and Blaine Festival parades. (We also recorded the Columbia Heights Jamboree Days parade, for a fee.) The parades have garnered close to 1,200 views. It will only get busier with USA Cup soccer and the 3M Open coming up in July. We also will be there to cover the Lino Lakes Blue Heron days events and Centerville's Fetes des Lacs celebration later this summer.

### MACTA Conference Speakers

The annual Minnesota Association of Telecommunications Advisers (MACTA) took place on June 15<sup>th</sup> at the Bunker Hills Event Center. Danika Peterson and Rusty Ray were asked to be presenters for the Maximizing Production Resources session. They talked about the best ways to make use of the sometimes limited resources that PEG organizations have, and also gave tips about content production. They answered questions about any restrictions they had on their news production and also election coverage. There were some good sessions on closed captioning, franchising, legislative plans, and a fun on-camera coaching session.

### Meet Ray Campos

While we were sad to see our part-time news reporter extraordinaire, Mike Johnson, retire...again....we are very happy to have Raymond Campos join the news team. He is a recent graduate of the University of Minnesota, with dreams of being an investigative or government reporter at some point in his career. Fun fact, Ray interned with ABC News during the Chauvin trial. In addition to working on stories for NMTV News, he will also be trained on several city systems for meeting coverage.

### Closed Captioning Update

While we hoped to be up and running with our closed captioning service by the end of June, circumstances beyond our control have delayed us. Video Engineer, Matt Waldron, and Programming Coordinator, Michele Silvester, had all of the necessary equipment and software installed and ready to go....but we need a technician from Municipal Captioning to come to our facility to get Cablecast and Encaption working together. Summer conferences, vacations, and a rousing bout of COVID have messed things up a bit. Other things the Municipal Captioning technician needs to do include, creating a folder and process for open-captioning. In addition, we need to establish remote access for Michele to the ENCO and Cablecast units. Matt Waldron is working to establish the necessary VPN, but we may need to purchase a TeamViewer account, which is very ENCO friendly. We are very close. So close.

### Snack Stars

Snack Stars is a program produced by Studio Manager, Eric Houston, along with support from NMTV's two part-timers who work with us through an Anoka County work/education program. It's a fun show where the two gentlemen sample various snacks and share their opinions regarding the snack. The show was designed to provide more television production and on-camera experience for our two friends. It seems that the series of shows has a fan base. A Lino Lakes resident sent us this comment regarding Snack Stars: "The Snack Stars is simply the most enjoyable show I have seen in a long time. How can you not love these two? They are AWESOME! I LOVE THESE GUYS!"

### City Productions

In June, Municipal Producer, Trevor Scholl, completed five productions. The shows include two projects for the Blaine Police Department, two community event stories, and a cute kitten story that is hard not to watch. Trevor also provided technical support for a Blaine Facebook Town Hall. Completed programs include:

- Intro and Outro Update to the Blaine Level 3 POR Video, with Chief Podany

- Rehbein Transit Car Show and Hiring Event
- Blaine Police Department Camera Registration Program
- PlayNet Summer Recreation Program
- Kittens at Sea Life

New and ongoing projects include:

- Summer Mayor's Minutes
- Business profiles
- 3M Open
- Summer City festivals
- Photography for Centerville website
- Blaine Facebook live town halls

Trevor touches base with contacts on a regular basis and also encourages Cities to contact him with ideas for new videos.
