SERVING WITH COURAGE AND COMPASSION

Our Cities, Our Department, Our Mission, Our Motto, and Our Values.

The Cities of Centerville, Circle Pines, and Lexington are suburban communities that are part of a metropolitan area that is conveniently located just north of Minneapolis/St. Paul. The quality of life for our citizens is exceptional. Our community offers affordable housing, a variety of recreational and open space opportunities, convenient shopping, as well as very responsive municipal services.

There are excellent educational opportunities available for our residents through the Centennial School District and numerous quality colleges and universities within easy commuting distance. Our community affords the serenity, safety, and stability of small-town living yet we are close to the amenities of the big city.

In most satisfaction surveys our resident's rate their overall quality of life as "excellent" or "very good." Citizens feel safe in their homes, neighborhoods, parks, and schools. They are also appreciative of the high quality of local safety services.

Our three Cities have combined resources to create the Centennial Lakes Police Department, a unique joint governance law enforcement agency. We are comprised of 23 highly professional sworn and civilian personnel who are dedicated to delivering quality safety service to our citizens.

Local fire protection and suppression service is provided by the Centennial Fire District and the Lexington Fire Department. These agencies combined with the Centennial Lakes Police Department and the Allina and MHealth Ambulance services provide an excellent emergency medical rapid response system.

Our officers respond to all calls for service, enforce criminal and traffic laws, provide deterrent patrol, engage in proactive policing and problem-solving measures, and foster positive interactions with our citizens.

It is the mission of the Centennial Lakes Police Department to enhance the quality of life for those living in our three Cities by providing highly professional and responsive safety service.

We are dedicated to carrying out our mission with pride and professionalism. We value quality and integrity in police services and we are committed to continued safety and stability of Centerville, Circle Pines, and Lexington. We are also committed to organizational excellence and to fulfilling our motto of **"Serving with Courage and Compassion"**.

It is my honor and privilege to present the 2022
Centennial Lakes Police Department's Annual Report.

Police work has often been described as a front row seat to the best show in town. While that may be true at times, the opposite is also true, that our officers have a front row seat to the worst events as well. With that in mind, we continue to focus on officer wellness. In 2021 our focus was on an officer's mental health, and while that focus continues, in 2022 we specifically focused on an officer's physical health. CLPD wants to do all we can to support healthy and emotionally fit officers, as we believe healthy officers will provide better services to our communities than unhealthy officers would. Whether it's providing mental health counseling services or making facilities and time available for officers to work out, we have officer wellness as a focal point of our department. We want to provide an environment where our officers can become mentally and physically strong and resilient.

Chief James Mork

One of the biggest challenges for our department in 2022 was staffing. In the recent past, when an officer retired or left for a different position, we would receive 50-60 applications or more for the open position. Due to factors that portray our profession negatively, not nearly as many college students are choosing to go into law enforcement as a career, and as such, there are far fewer applicants to choose from. My commitment to our communities and to our department is that I will not lower our department standards just to get someone hired. We have remained very selective in our hiring practices and have hired some terrific new officers. I'm very proud of our officers and I hope you are, too. Don't hesitate to wave at our officers or engage them in conversation while they are out on patrol. We love getting to know our community better as we serve the cities of Centerville, Circle Pines, and Lexington with courage and compassion every day.

As you take the time to read through this annual report, I hope you enjoy seeing some of the great work our officers are involved in. CLPD has a very strong commitment to provide the highest level of police services possible every single day. Feel free to contact me if you have any questions.

Lastly, I'd like to thank all the women and men of the Centennial Lakes Police Department, the Police Governing Board, City Administrators, Citizens, and Business Community for their continued support and encouragement. Let's all continue to work together to make our cities in Anoka County the best places to live, work, and play!

Serving with Courage and Compassion,

James Mork

Chief of Police

In 2023, I will be starting my 24th year at CLPD. My entire law enforcement career has been dedicated to this agency. I have continued to teach aspiring law enforcement students at Century College. Maintaining positive contacts with our citizenry, while navigating through the recruitment and retention of police officers, will continue to be our department's focus.

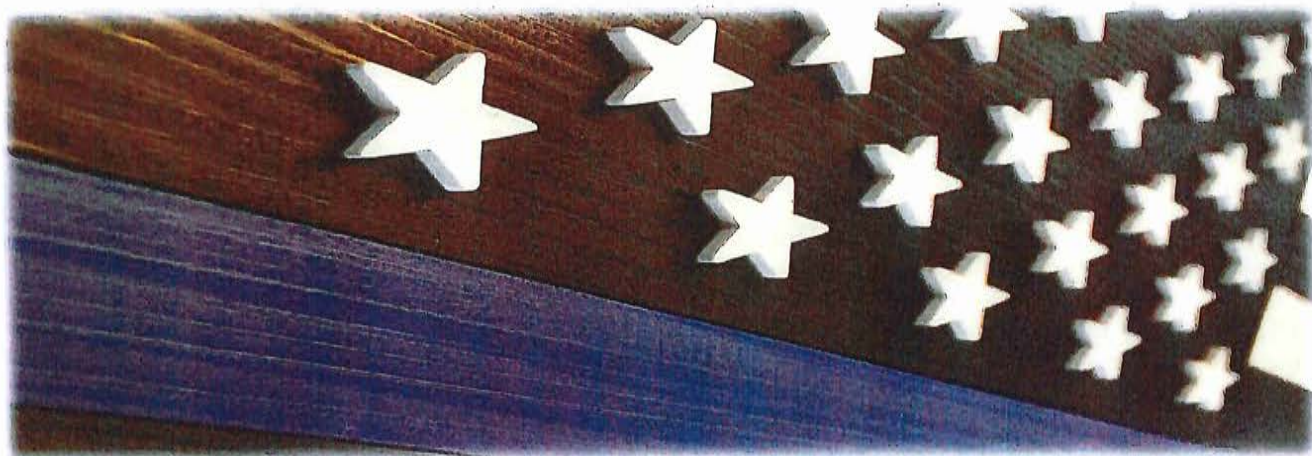

Captain Pat Aldrich

Policing has changed drastically over the past 23 years. These changes have helped us police better and provide the necessary services to maintain positive community relationships.

Through teaching, I have been able to share my experiences with, as well as learn from, many diverse cadets from the Minnesota State Patrol, DNR and Minneapolis PD cohorts.

We hired three officers in 2022. During a time period of competitive hiring, low law enforcement recruit numbers, and troubling retention strategies, we are fortunate to maintain a great group of officers. With the consistency of 100's of job postings in Minnesota, it is apparent some agencies are having difficulty in filling their employee rosters. We hope we can maintain a great work environment and continue to hire employees that "fit" into our agency's culture.

Even though there is a globally negative perception on law enforcement, we as an agency remain positive, and the expectations of our officers remains paramount. Through our everyday interactions, we are encouraged that our citizens support our department and our officers.

Department History

In the late 1940's, Herman Heath became the first day-time Constable for Circle Pines. City Councilmen took turns providing policing duty at night. After formation of the village, a "one-man" police department was formed. The Village of Circle Pines acquired an ambulance/squad car to patrol and to transport injured or ill residents the many miles to the nearest hospital.

In 1954, Joseph Matzke became the first Lexington police officer. Officer Matzke was paid \$10 per month to cover gas and other expenses, plus he received a portion of the fines assessed for infractions of ordinance.

As early as 1965, a joint police force was discussed between Lexington and Circle Pines. It wasn't until 1975 that a joint powers agreement was adopted by the two cities creating a combined police department. The police department was governed by a commission, rather than directly by the two city councils. Ronald Nicholas became the first Chief of the Circle Pines-Lexington Police Department.

The department, consisting of four officers, was first housed in a portioned-off corner of the Circle Pines "fire barn". Part-time officers were later added to extend coverage. All officers shared one police patrol car, a 1973 Plymouth inherited from the City of Lexington.

In 1978, the police department moved from the fire barn to an office in the shopping area of 9201 Lexington Avenue. In June of 1986, the department moved again, this time into the lower level of the new Circle Pines City Hall.

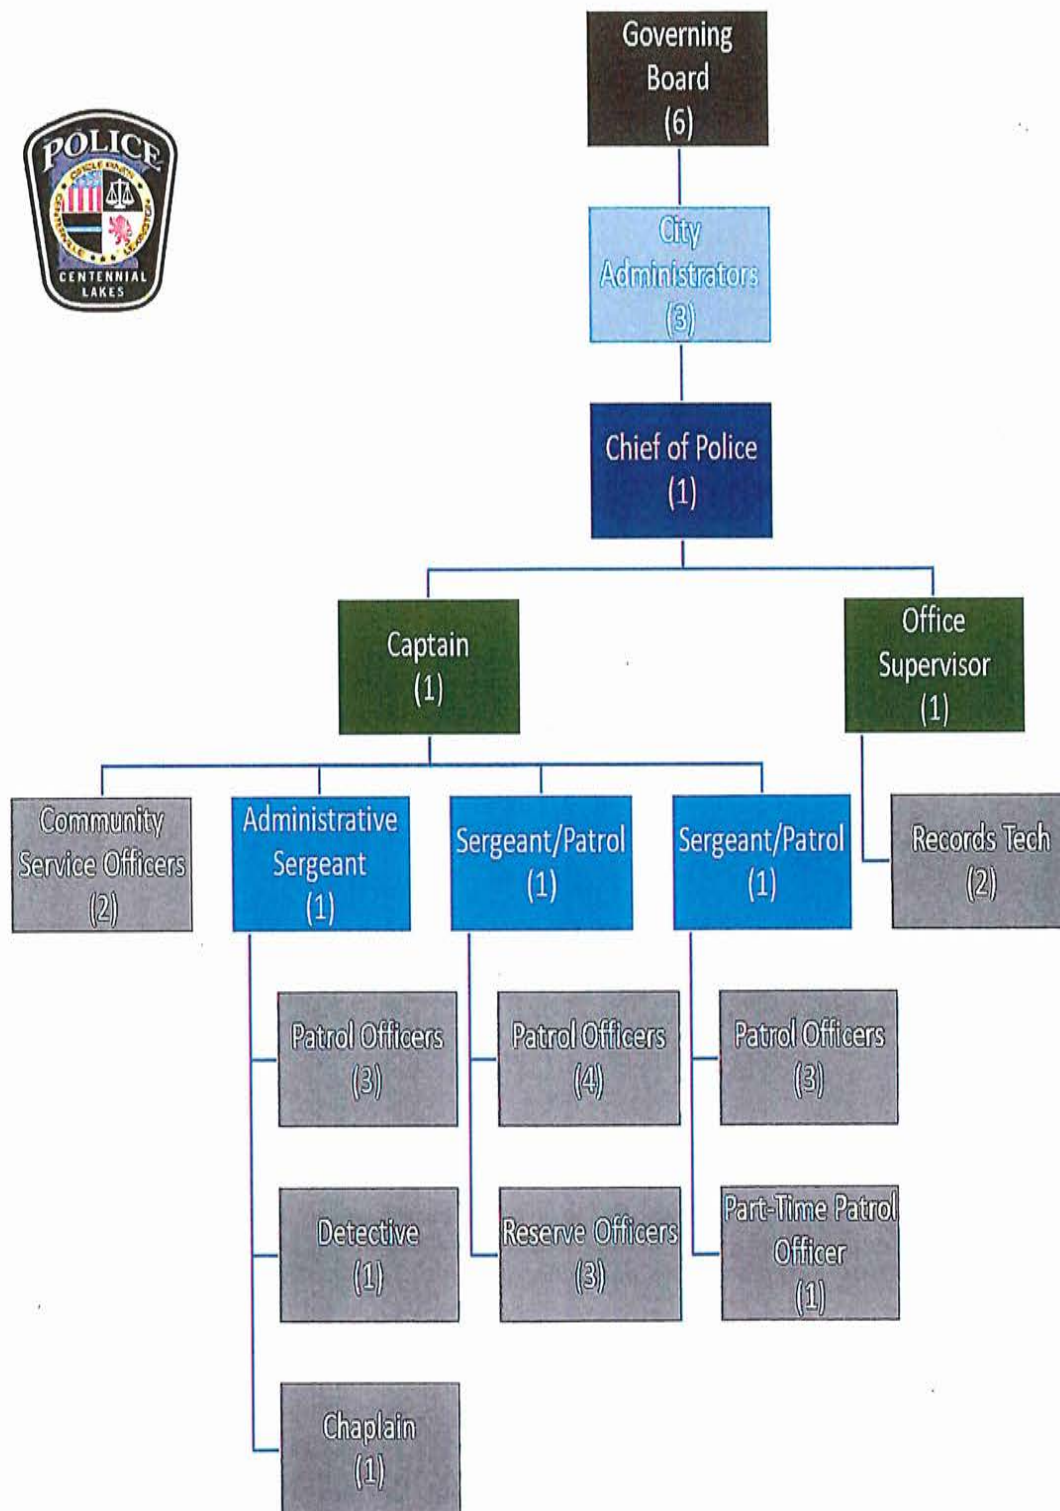

In 1991, the Circle Pines-Lexington Police Department began providing contracted police protection to Centerville. In December of 1999, a Joint Powers Agreement was completed, and on January 1, 2000, a tri-city "Centennial Lakes Police Department" was formed to provide law enforcement and safety services to the cities of Centerville, Circle Pines, and Lexington.

In 2006, a new police station was built on the corner of North Road and Lake Drive in Circle Pines. Today the Centennial Lakes Police Department is comprised of 16 sworn officers and 6 civilians who are fully dedicated to providing quality service to our three cities. Exceptional personnel, a low crime rate, public confidence in our ability and integrity, policies and practices in accord with national standards, and innovative problem-solving and outreach programs are just a few of our noteworthy accomplishments.

We take great pride
in our entire
community, our
department, and in
our commitment to
protect and serve the
citizens of the cities
of Centerville,
Circle Pines, and
Lexington.

The City of Centerville is located in eastern Anoka County approximately 13 miles north of St. Paul. Centerville's population of over 4,000 people encompasses an area of 2.4 square miles.

Centerville and Peltier Lakes provide the area with recreational opportunities for fishing and boating. Centerville is also the entrance for the Rice Creek Chain of Lakes County Park and Trail System. The park includes a beach, a boat launch, a large campground, a walking/biking trail, a playground, and facilities for family events and civic functions. The entire park is a popular destination for outdoor sports enthusiasts and families seeking a rural-like refuge from the big city.

Centerville is a growing community with a business park and land available for future residential and retail development. The City is home to St. Genevieve's Church and nearby Eagle Brook Church. The close-knit community hosts a number of very popular civic events throughout the year including fishing tournaments, running and bicycle races, ski shows, and the Fete des Lacs summer festival and parade.

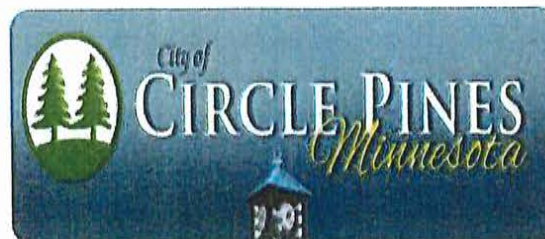

The City of Circle Pines is located 15 miles north of Minneapolis and borders the Cities of Blaine, Lino Lakes, Shoreview, and Lexington. Circle Pines is a predominately residential community of nearly 5,000 people. The 2 square miles of land area is fully developed. Lake Drive is a major thoroughfare through the City providing direct access to area freeways.

Circle Pines is the only suburban city that operates its own natural gas distribution company – a result of its cooperative history. The system serves all of Circle Pines and portions of the Cities of Blaine and Lino Lakes. Circle Pines also provides its own water and sewer utilities to its residents.

Circle Pines is a great place to live, raise a family, do business, or just visit. In 2011 the City of Circle Pines was named by CNBC as the "3rd Most Perfect Suburb in the United States". The local Centennial School District is highly regarded in the State of Minnesota providing area students with award winning academic and athletic programs and facilities.

Circle Pines is a vibrant community with a diverse housing stock. A small but successful business community supports its primarily residential base. The City is home to a County branch library, area post office, many parks and open spaces, walking paths, several lakes, and a variety of recreational facilities. The City of Circle Pines boasts a comprehensive municipal service center and is dedicated to livability through quality services.

Located in the southeastern corner of Anoka County the City of Lexington is a small suburban community of nearly 3,000 residents. The very proud and tight-knit community is adjacent to the I-35W freeway providing easy access to virtually anywhere in the Minneapolis/St. Paul metropolitan area.

Lexington is host to a variety of businesses, retail shops, restaurants, and several very popular entertainment venues. The Northway Shopping Center located along the central corridor of Lake Drive includes a grocery store that provides goods and services to a much larger area population base.

Lexington Memorial Park is a popular venue for summer little league teams from throughout the region. Residents enjoy a variety of other recreational amenities associated with this very large park complex.

The City of Lexington was incorporated as a village in 1950. Leo Ryan was a local civic leader who was instrumental in organizing the petition for the new village. Ryan suggested that the village be named Lexington in honor of his old army unit, the First Pioneer Infantry Regiment which was formed at the beginning of the Revolutionary War. That unit met the British in the Battle of Lexington.

Various City themes and names now revolve around the Revolutionary War and Battle of Lexington, including the City's Minuteman logo and many street names including Patriot Lane, Liberty Lane, and Minutemen Lane. The citizens of the City of Lexington are very proud of their history, heritage, and home town.

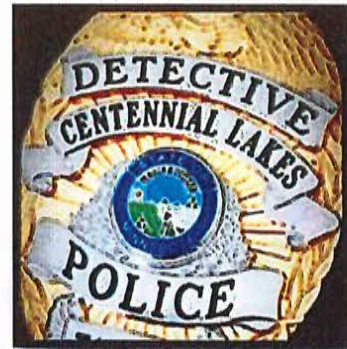

Criminal Investigations Unit

The investigations unit of the police department continues to be a proactive resource for the citizens of Centerville, Circle Pines, and Lexington. In 2022, the Investigations Unit reviewed hundreds of reports that were submitted by patrol officers, Anoka County Child Protection, the Minnesota Adult Abuse Reporting Center, and other agencies, along with information obtained from citizens and confidential informants during the course of their work.

Our investigations unit relies on body worn camera footage resulting in prompt and successful resolution of cases. Duties of our investigation's unit include reviewing gun permit applications, conducting background investigations for city employees and business licenses, managing digital evidence, processing physical evidence, forfeitures, filing cases with prosecutors, and preparing and serving search warrants.

Detective Katy Mannin

Support Services Bureau

The Records/Clerical Support Services Bureau provides essential assistance to Centennial Lakes Officers, administration, other criminal justice agencies and the citizens of Centerville, Circle Pines, and Lexington. The members of the Records/Clerical Support team take great pride in providing excellent customer service while offering assistance with accurate crime data information.

Police Record Technicians are responsible for all aspects of document control, including copying, distribution, data entry and filing of police reports, records, and citations. In addition to maintaining police records, the support staff responds to various inquiries by phone, walk-in, email and direct mail from the public and other criminal justice agencies.

Community Service Officers

Our Community Service Officers (CSOs) engage in a wide variety of para-professional support duties, including investigating civil complaints and enforcing city ordinance code violations. The CSO's goal is to gain voluntary compliance with property maintenance ordinances in all three of our Cities.

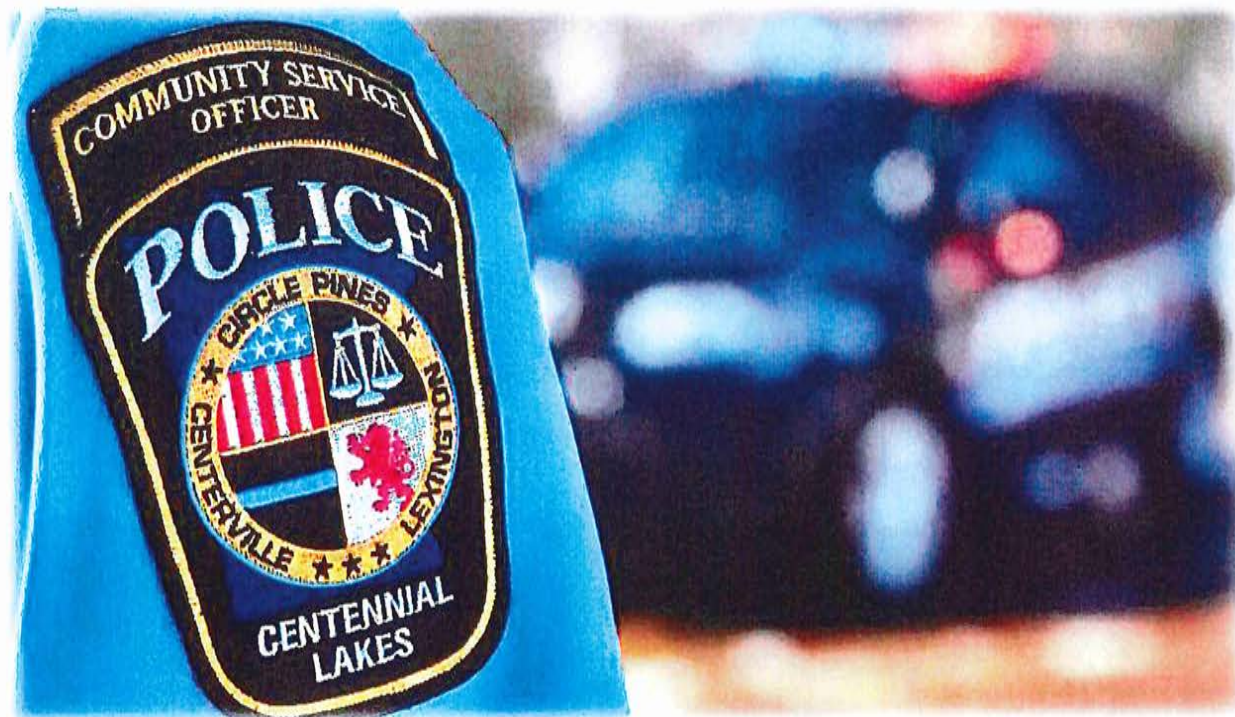

The Community Service Officers also perform vehicle lock-outs, patrol our parks, respond to medical emergencies, conduct animal control duties, support the clerical staff, collect and transport abandoned property, and assist with traffic control at special events and accident scenes.

They play an integral role in supporting and assisting our sworn officers and in maintaining the quality of life enjoyed by our citizens.

Police Chaplain

**Chaplain
Joel Heckman**

Serving in my role as a volunteer Police Chaplain, I am sanctioned to provide spiritual and practical guidance, counsel, and advice in support to the officers and staff of the Centennial Lakes Police Department. My role further entrusts that I assist when called upon to provide comfort, consolation, understanding, spiritual, and practical advice in the community to persons confronted with a traumatic crisis or death.

Throughout the year I was privileged to ride along with newly licensed officers and attend many departmental roll calls and functions as the officers and staff carried out their duties. Several requests for assistance at traumatic scenes in the community were made by the officers at which I provided assistance when available. As chaplain and as a member of the Centennial Ministerial Group we prayed for the department officers, staff and families as I shared requests asking that they be granted divine wisdom, guidance, safety and protection in their service.

In April I was called upon to assist at the memorial service of a former department civilian employee, and in December my wife and I were blessed to again have officers join us in our home on Christmas Eve for dinner.

Knowing I would soon be relocating from the area, I attempted to assist the department in finding a replacement to serve in the role of volunteer chaplain. As of this report that has not proved fruitful.

It has been an honor to serve this department and these communities throughout the past 11 years as chaplain and I commit to continue remembering them in prayer.

Respectfully,
Chaplain Joel Heckman

Reserve Officer Unit

The Centennial Lakes Reserve Officer Unit is comprised of community members who volunteer their time to fulfill several roles around the Police Department. The Centennial Lakes Police Department is proud to have Reserve Officers willing to get involved in our communities.

Reserve Officers are uniformed and provide valuable services. Police Reserves perform volunteer services and assist full-time officers protecting and serving our communities of Centerville, Circle Pines, and Lexington. Tasks performed are those permitted by law and authorized by the Police Chief. These tasks include patrolling neighborhoods and parks, controlling traffic and crowds at crashes and events, assisting officers with inventory of impounded vehicles, and securing crime scenes.

Each Reserve Officer must successfully pass the department Field Training program. This training includes legal issues, radio usage, use of force, traffic control, and first aid.

In 2022, the Reserve Unit volunteered many hours of their time to the department. Twenty plus former Reserve Officers have gone on to careers in law enforcement. Some have remained with Centennial Lakes while others have been employed with other state, county, and local departments.

The Reserve program coordinators are Sergeant Wahlberg and Detective Mannin.

Reserve Sergeant Yarwood & Reserve Officer Bengtson

Emergency Medical Response

Each year officers of the Centennial Lakes Police Department respond to nearly 600 medical emergencies across our three cities. Calls for help can range from a simple nose bleed to a cardiac arrest.

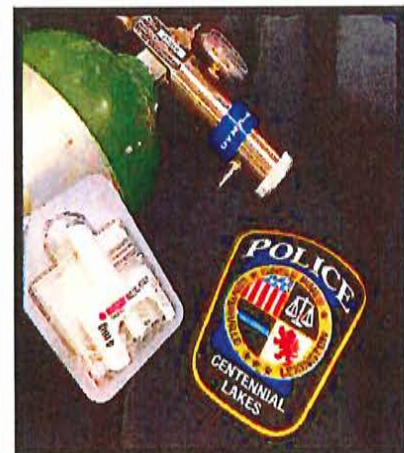

All CLPD Officers are either certified Emergency Medical Responders, Emergency Medical Technicians (EMTs) or Paramedics. In addition, our squads are equipped with a wide array of life-saving equipment including automatic external defibrillators (AEDs), Narcan (anti-opioid overdose kits), oxygen, tourniquets, airways, and the revolutionary ResQPUMP System to assist in delivering chest compressions during CPR.

In most cases our officers are the first to arrive on the scene of a medical emergency and are able to stabilize a situation until Fire/Rescue and/or an Ambulance Paramedic Unit arrives. CLPD Officers are the first essential link in the chain of critical care for the victims of injuries or illnesses. Early response and intervention have been shown to have a critical impact in a variety of medical emergencies. Fortunately, we are generally positioned to respond quickly when minutes can make the difference between life and death or at least minimize the long-term adverse impacts of a medical situation.

Our officers provide medical aid that improves the prospects of a full recovery for countless victims of medical emergencies. We find that it is reassuring to our citizens to know that we are trained, equipped, and readily available to respond to any and all emergency medical situations.

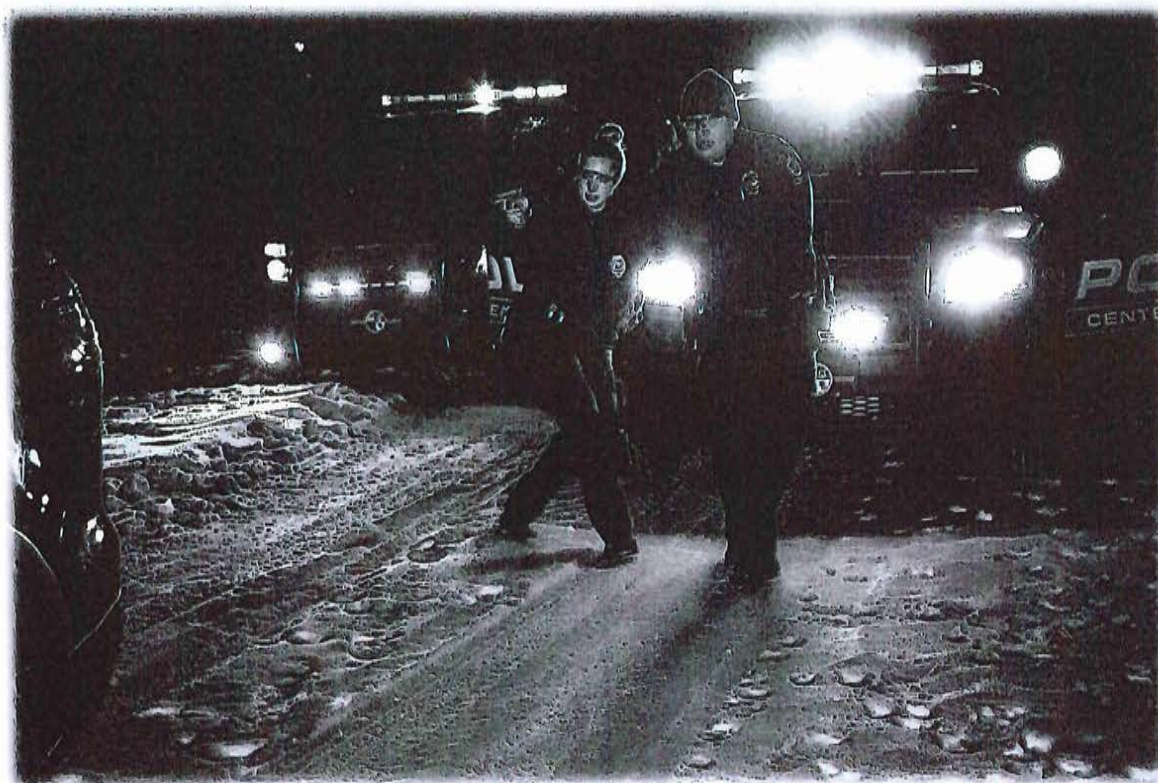

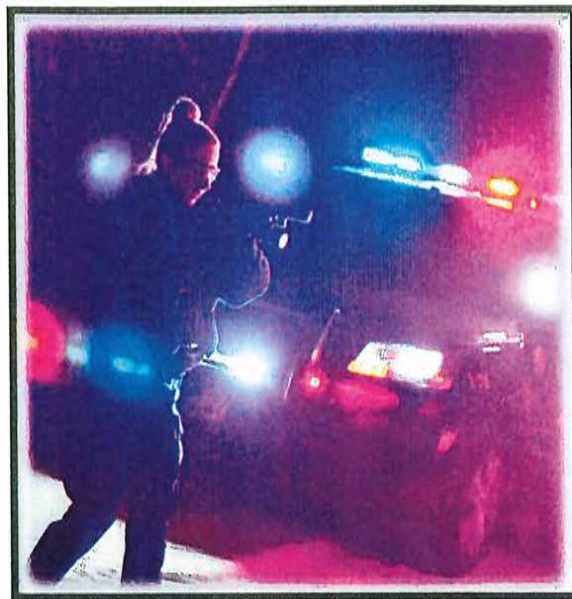

Many of our officers have been honored with life-saving awards and medals for everything from resuscitating the victims of heart attacks, to bringing back the victims of drug overdoses, to delivering babies. Even the victims of less critical situations can be reassured and comforted by the presence of a Police Officer/Medical First Responder.

We are very proud to be an important component of our local emergency medical response system. The partnerships that we have established with other area EMS providers include our local Fire Departments and Allina and MHealth medical services. It is an exceptionally high-level partnership and service that assures our citizens of the very best in critical emergency medical response and care. It is also one more important example of where we are serving and protecting the citizens of Centerville, Circle Pines, and Lexington.

Training

Centennial Lakes Police Officers consistently attend both mandatory and elective training throughout the year. This training includes: de-escalation tactics, implicit bias awareness, mental health and autism recognition, use of force, firearms/active shooter, and emergency vehicle operations. Through Daily Training Programs, officers revisit department policy, watch videos, conduct real-life scenarios, and discuss current events. The officers continue to work with the Centennial Fire District to fulfill required emergency medical training.

CLPD has continued to use our Social Media as a progressive outlet for the news, happenings, and pulse of the department and community alike. Transparency is extremely important to us, and through the responses we receive during our postings reassures us that our citizens really appreciate our interaction. The number of followers we have generated on Facebook, Instagram, and Twitter continues to grow and helps keep us connected with our citizens. The goal of the CLPD social media outlets is to let you know we care, we are here for you, and as always, we encourage you to call us if you need us.

Through a positive and informative approach, we hope to reach even more citizens in the years to come, and let followers know we live and work in a great community.

Prescription Drug Drop-Off Program

The Centennial Lakes Police Department is one of many sites where unused prescription medications can be dropped off as part of the Anoka County Prescription Drug Drop-Off Program. This gives community members the opportunity to bring in unwanted or expired prescription medications to be disposed of in a way which is safer for the community and environment.

This program continues to be extremely popular. The drop off station in our foyer was emptied several times throughout 2022.

204.25 pounds of medications were collected from Centennial Lakes Police Department and safely destroyed in 2022.

MINNESOTA WORKERS' COMPENSATION LIABILITY CERTIFICATE OF COMPLIANCE

Minnesota Statute, Section 176.182 requires every state and local licensing agency to withhold the issuance or renewal of a license or permit to operate a business or engage in an activity in Minnesota until the applicant presents acceptable evidence of compliance with the workers' compensation insurance coverage requirement of Chapter 176.181. The information required is: the name of the insurance company, the policy number, and dates of coverage or the permit to self-insure. This information will be collected by the licensing agency and retained in their files.

This information is required by law, and licenses and permits to operate a business may not be issued or renewed if it is not provided and/or is falsely reported.
