Just a Reminder

It isn't the plow, but rather the snow thrown
from the plow blade that wreaks havoc.
When setting your garbage at the curb, leave
adequate room for the snowplows to do their job.
This is also a good time to check your mailbox
post for wood rot.

Water pipes Reminder

To keep your pipes from freezing don't turn off
your heat, and remember to let a faucet drip if
you are leaving for a few days.

Snapshot of City Ordinances

YOU ARE NOT ALONE

WINTER PARKING RESTRICTIONS

With summer gone, fall's upon us, and winter is just around the corner. It's time to start thinking of the other changes that affect us this time of year, namely parking restrictions & snow removal.

Parking restrictions will begin November 1st.

*****No Parking** allowed on City streets between the hours of 2 AM and 6 AM without an emergency parking permit issued by staff at City Hall.

*****No Parking** on any street after a snowfall with accumulations of 2 inches or more until all snow, ice and similar debris have been removed from the paved portion of the street.

*** **It is illegal** to remove snow from private property and place it on the road or sidewalk.

*** Approximately **200 accidents** occur each year involving snow moving equipment, so be extra cautious and **always** give the plow truck the benefit of the doubt.

It weighs in excess of 50,000 lbs.
your car weighs about 3,000 lbs.

- STAY SAFE -

Assume snowplow drivers **DO NOT** see you.

City Hall has stakes available for residents to pick up. They can be used to mark curves along the roadway or other items that may be hit by the plow. Once the plow had gone by several times they will no longer be needed.

City Hall is open Monday~ Friday
8:00am-4:30pm

Rental Property Licensing

The Lexington City Council has a responsibility to ensure that rental property within the City meets the standards that are in place in the Lexington City Code to protect the health, safety and welfare of its residents. As a result the City has a Rental Dwelling Licensing program that will require inspection of all rental properties owned within the City. This program is intended to eliminate substandard and deteriorating housing and to improve the overall living environment in the City of Lexington.

Completion of the Rental Dwelling License Application is your first step toward obtaining licensure. After your completed application and accompanying fees have been received by our office, you must then contact the City to schedule a property inspection with the Rental Inspector. For more information regarding the process to obtain your rental license, please contact the city at (763)784-2792. You can also find all the information on our website at:

www.ci.lexington.mn.us/page/govt_business_rental_licenses

Recycle Smart!

Only Put Items That Can Be Recycled in Your Curbside Cart

Just because you think something is recyclable doesn't mean it should be put in your curbside cart. If everyone can focus on recycling the basic three types of recyclables below, recycling facilities will be able to process and recover more recyclables.

Recycle the Basic 3!

Place these recyclables loose directly in your recycling cart. If you need to use a bag, use a paper bag. No plastic bags should be put in a recycling cart.

1. Food and Beverage Containers

Empty and rinsed food and beverage bottles, cans and paper cartons (replace cap on plastic bottles, jugs and paper cartons)

2. Mixed Paper

Newspaper and unwanted mail (remove plastic bags, plastic cards and any promotional items) catalogs, dry goods boxes and phone books

3. Flattened, Clean, Dry Cardboard

Clean = free of grease and food debris

Remove excess tape, labels and any non-paper packaging materials
