# REGULAR PLANNING COMMISSION MEETING MINUTES December 8, 2015 - 7:00 P.M. 9180 Lexington Avenue, Lexington, MN

#### 1. CALL TO ORDER

Chairperson Olsson called to order the Regular Planning Commission meeting on December 8, 2015 at 7:01 p.m. Commissioners Present: John Bautch, John O'Neill, Ron Thorson, and Mark Vanderbloomer. Absent: John Hughes, Councilmember. Also present: Bill Petracek, City Administrator; Kurt Glaser, City Attorney.

#### 2. CITIZENS FORUM

No citizens were present to address the planning commission

#### 3. APPROVAL OF AGENDA WITH CHANGES AND CORRECTIONS

Olsson made a motion to approve the agenda as typewritten. The motion was seconded by Bautch. Motion carried unanimously 5-0.

#### 4. LETTERS AND COMMUNICATION

A. Building Permits for October & November 2015

No discussion on building permits.

#### 5. APPROVAL OF PLANNING COMMISSION MINUTES

A. October 13, 2015

Thorson made a motion to approve the December 8, 2015 Planning Commission minutes with a correction to the spelling of his last name from Thorson to Thorson. The motion was seconded by Vanderbloomer. Motion carried 5-0.

#### 6. DISCUSSION ITEM:

A. P&Z December Public Hearing postponed until January 2016 meeting

Petracek explained that the public hearing for the proposed parking ordinance had to be postponed due to the Quad Press not being able to print the public hearing notice in the newspaper when we had asked them to; publishing it the next week would not have met the time requirements for publications.

O'Neill asked to have a list of the addresses of properties in the community that would receive letters of notifications for the public hearing. Discussion ensued. No action taken.

B. Discuss August meeting date change

Petracek explained the August 2016 P & Z meeting needs to be rescheduled due to a conflict in city hall with the primary election. Discussion ensued.

A motion was made by Olsson to schedule the August 2016 Planning & Zoning meeting on Tuesday, August 16th at 7:00 p.m. The motion was seconded by O'Neill. Motion carried 5-0.

C. Discuss Limitation of rental housing – "30% Rule"

Attorney Glaser presented discussion about the City of Winona's ordinance regarding rental housing "30 percent" rule. He explained that in Winona, around the college, no more than 30% of the single family dwellings are allowed to be rental housing property. He added that this ordinance has been challenged in the Minnesota Supreme Court, and has been upheld by the court. Glaser stated he has taken this ordinance word-for-word, except two areas where he has modified it for Lexington.

Glaser asked the Commission if they want to have this rule in Lexington, and if they wanted to apply this rule to Parkview, or other areas of Lexington.

O'Neill asked about the rental housing program in Lexington. Petracek explained that the current rental housing program in Lexington is still in its early stages of development and needs to be on more stable ground before we apply this ordinance too much in Lexington. Petracek stated to the Commission that we should only apply it to areas where there is potential for problems in the future. Petracek suggested restricting the regulations to the M-1 and M-2 zones due to the combination of commercial and residential properties, and the potential for residential development and redevelopment in those zones. Discussion ensued.

The Commission discussed zoning districts of Lexington for the "30 % rule" to be applied.

Olsson asked Attorney Glaser to revise the proposed ordinance to apply the regulations to the M-1 and M-2 zones to include within these districts for the rule to apply specifically to single family homes, manufactured homes, duplexes, townhomes, and fourplexes. He added that the ordinance shall not apply to apartment complexes in the M-1 and M-2 zones; exempt districts to this regulation will be every zoning district except the M-1 and M-2 zone in the City of Lexington.

Discussion ensued. No action taken. Glaser would provide the revised ordinance for the January meeting.

#### **B. NOTE COUNCIL MINUTES:**

- A. October 1, 2015, 2015
- B. October 15, 2015
- C. November 5, 2015
- D. November 19, 2015

Some discussion was had by the Commission on the City Council minutes.

#### C. PLANNING COMMISSION INPUT

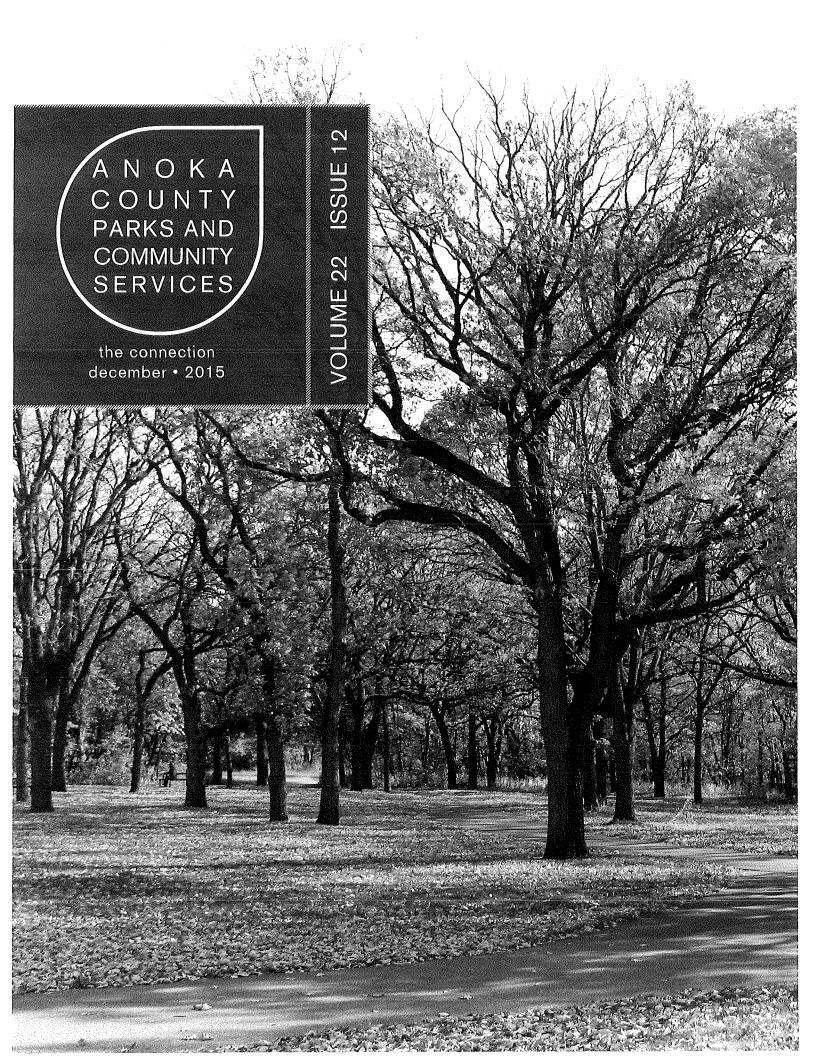

Vanderbloomer asked about parking on the unimproved City right-of-way in Lexington and how that will affect the new parking regulations the Commission is considering. Discussion ensued.

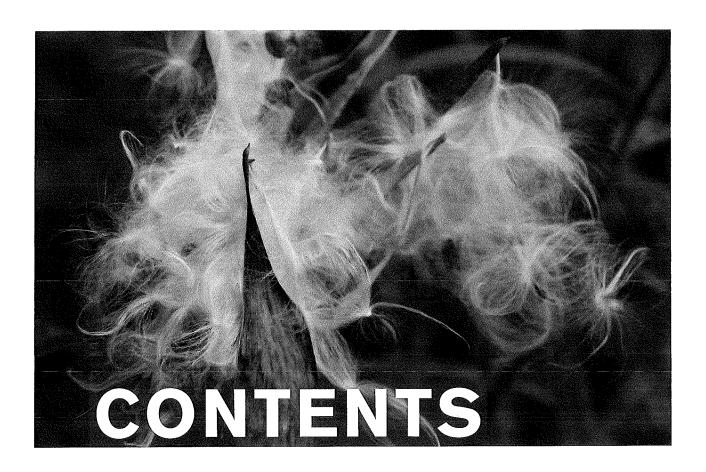

Vanderbloomer also asked about the potential to allow "tiny homes" as an exemption for properties in Lexington for senior living. Discussion ensued. Petracek stated he would add this as a discussion item on the February meeting agenda.

Olsson brought up an issue dealing with the new street sign advertising the Vaping Lounge/E-cig business in the mall at Lexington and Lake Drive. He stated it has a 'strobing' effect, and believes it could be potentially dangerous for drivers. Discussion ensued. Attorney Glaser stated it could be declared a public nuisance. Petracek said he would bring it up to the building inspector's attention to work with the business owner to change it.

#### D. ADJOURNMENT

A motion to adjourn was made by Bautch at 8:29 pm. The motion was seconded by Olsson. Motion carried unanimously 5-0.

#### FROM THE DIVISION MANAGER:

My friends and relatives sometimes say, "I'll bet things really slow down in the park system during the winter months." My short answer is, "I hear that a lot, but it's really not the case."

Surprising to many, about half of our annual park use occurs between Labor Day and Memorial Day. That's about 1.9 million out of the 3.8 million visits to the Anoka County Park System each year.

While the summer is an obvious busy time with swimming, biking, camping and other warm weather pursuits, so too are the non-summer months - referred to in the business as the "shoulder seasons." Let me explain.

The autumn months are filled with a variety of cooler season activities. This is the busiest time of the year at the Bunker Park Riding Stables. Over 3,000 children attend the award winning Outdoor Heritage Lab at the Wargo Nature Center. The Bunker Archery Center fills with outdoor enthusiasts readying their skills for fall hunting. And, if you're into camping, there is no better time of the year.

Winter is close upon us, as evidenced by the driving snow outside my office window today. Those who enjoy ice fishing are probably getting on their favorite lake through one of 13 access points maintained by the Anoka County parks staff. Cross country skiing is available at four locations, snowshoeing is growing in popularity, and winter walking is enjoyed by visitors on 25 miles of cleared trails.

By early spring our staff is finishing up the removal of oak wilt infection sites scattered across the 11,500 acre park system. The Chomonix Golf Course normally opens the first week of April, as folks work out the hooks and slices in their drives. This is also a time when the two County campgrounds get going and the visitor centers are back in gear. And, the last of the 300 presentations are made to 20,000 elementary students in Anoka County schools.

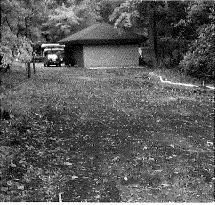

Behind all of this activity we best not forget that the County Parks System is also host to 10 indoor rental facilities popular for weddings, family reunions, and church gatherings throughout the year. Not to be overlooked are the year round programs offered at the Banfill Locke Center for the Arts, Wargo Nature Center, and the Coon Rapids Dam Interpretive Center.

I hope this helped to answer the question of "what exactly goes on in the parks in the off-season." If you're ever asked, just say "a whole lot more than I ever thought."

I'll see you on the trail.

John VonDeLinde

# MAINTENANCE AND RESTORATION PROJECTS

The Maintenance Unit has been able to take advantage of the beautiful weather this fall to complete additional maintenance and development projects. Typically, Maintenance would have "run out of weather" by this time of the year and not been able to address these type of projects. The projects include:

- Renovation of Rice Creek Chain of Lake gatehouse exterior.
- Installation of a new service drive at Wargo Nature Center.
- Removal and site restoration of the Kordiak County Park tennis court.
- Comprehensive ski trail preparation, including tree removals, pruning, mowing, and signage placement.
- Painting the exterior of park buildings.
- Trail and roadway stabilization work.
- County wide bituminous trail, tree, and understory pruning.
- Irrigation repairs

These are a sampling of projects the Maintenance Unit, with assistance from the Conservation Corps Minnesota crew, has been able to complete. Looks like the good weather may be coming to a close but many thanks to our staff for all their hard work and timely completion of all projects.

### YEAR ROUND DOG SOCIALIZATION

Dog parks are a place where dogs of all breeds and sizes gather for a social time with their owners. The fenced in area is a perfect environment for dogs to run leash free in a large and safe space. In addition to furry friends getting exercise and socialization, a dog park is an awesome place for owners to meet and discuss all aspects of dog ownership with one and another.

Anoka County has two beautiful dog parks. One is located at Locke County Park in Fridley, and the other at Bunker Hills Regional Park in Coon Rapids. These dog parks are open year round from 6:00 AM til 30 minutes after sunset. For more information, and/or dog park rules, please visit the Anoka County Parks and Recreation Department website or call 763-757-3920.

Coon Lake County Park is a gem located on Coon Lake in the City of Columbus. The park receives many visitors during the summer and throughout the fishing season. To provide a more pleasant experience at Coon Lake, the County will be making improvements in the next year. The County has recently hired HCM Architects to design a new restroom building. The new restroom building will sit opposite of the comfort station and have three family restrooms. The existing comfort station will be converted into changing rooms and a vending area. In addition, the County also plans on expanding one of the beach parking lots to accommodate 30 additional stalls. That will bring the total stalls to 110. Construction is anticipated to begin spring of 2016 and will be completed by fall of 2016.

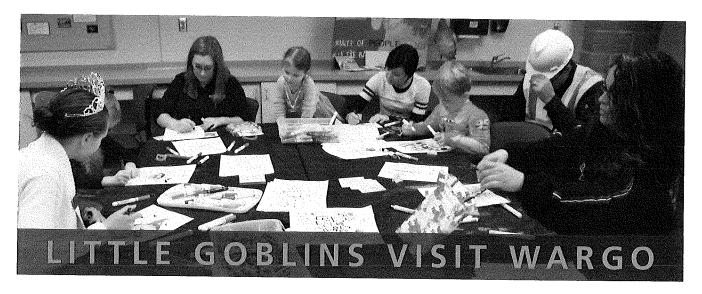

# ORGANICS COLLECTION AT COMMUNITY EVENTS

In 2015, Recycling & Resource Solutions staff provided direct assistance to 19 community events held in Anoka County. Working with event coordinators and vendors, staff shared knowledge on how to set up a successful waste reduction program at their community event. Staff assisted with providing public information, vendor outreach, on-site assistance, and coordination of station monitoring volunteers. In addition, Recycling & Resource Solutions provided containers, signage, and bags at several events. Targeting community events to increase recycling and adding organics where feasible provides many benefits:

- Helps achieve county state mandated recycling and organics goals.
- Provides more places for residents to recycle in their community.
- Introduces the concept of organics collection for composting.
- Provides educational opportunities to answer questions.

Watch for organics collection containers at events; most containers have signs to identify types of items accepted. Several schools and restaurants in Anoka County have started organics collection programs. Organics collection is also happening at community events and high traffic destinations such as the 3M Championship Golf Tournament

and Bunker Beach Water Park. Anoka County is working with public and private partners to offer more organics recycling opportunities for residents. Stay tuned for more information on local organics collection opportunities.

It was a beautiful October evening at Wargo Nature Center, when one of the staff noticed a little goblin walking up the path. A few minutes later another and then another; before the evening was over Wargo was visited by more than 100 Little Goblins! Luckily our Wargo staff, along with staff from Lino Lakes Parks & Recreation, were prepared for such an event. Staff had been prepared all week for the second annual Little Goblins Party! Along with the Goblins (kids 8 – under) more than 200 parents and grandparents participated in a variety of "not so spooky" crafts, games, a night hike, face painting, star gazing, and refreshments. Children (and many adults) dressed in their favorite Halloween costumes. All the little goblins left with a bag full of goodies and very happy about their visit to Wargo.

On November 15, the golf season ended on a high note with a high temperature of 60 degrees. "We were packed all day on Sunday," said Assistant Manager Matt Wollmering. 2015 finished with one of the longest seasons in Chomonix's history: 228 days. Revenue numbers indicate 2015 as the third highest in course history. "It was a great year for Chomonix! Leagues were up, tournaments were up and overall customer satisfaction was fantastic. I can't wait until next year!" said Matt.

## **EMPLOYEE PROFILES**

Name: Angela Odeen "Angie"

Position &
Department:
Columbia Heights
License Center

Length of time in current role: 4.5 years

Angie attended Vermillion Community College in Ely, right out of high school. She enlisted and was honorably separated from the U.S. Army before she was married in 1995. Angie started licensing with Hennepin County in about 1997. She later left Hennepin County and went to work as a titling clerk for Gould Chevrolet in 2002.

When Angie became a mom, she took a break from full-time work to be with her young children, and had a part-time job as a school bus driver. Angie was hired as a temporary employee at the Ramsey office, was hired on as a part-time permanent employee shortly thereafter, and transferred to Columbia Heights where she is today.

In her spare time, Angle is very interested in genealogy.

#### Production Highlights

#### Veterans Day Program

Educational Coordinator, T.J. Tronson, worked with Blaine High School to record the annual Veterans Day program. Prior to the event, Blaine Vet Day Coordinator, Steve Guider, was invited into the studio for an interview, which was used at the beginning of the show. In addition to recording the event, T.J. also set up an audio and video feed to the over-flow crowd in the auditorium.

#### Local School Outreach

After several successful experiences bringing NMTV video production classes to students in their own schools, Studio Manager, Eric Houston, reached out to more local schools to offer our on-location instructional services. The response has been very encouraging. He will begin instructing an eight class series at the DaVinci Academy, in Blaine, in January, and has already been scheduled to return to that school for a ten week series in April. The Northside Christian School, in Blaine, has signed up for weekly sessions starting in the 4th quarter of their school

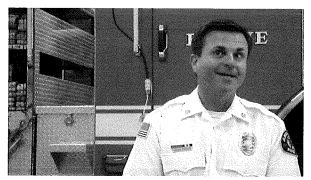

year, and Christ Lutheran Preschool has asked for a small one or two day project. Another school, the North Metro Home School Group, has expressed interest in what NMTV has to offer, and came in with their students for a tour.

#### Musical Month

Eric Houston continues to seek out entertaining ways to teach his volunteers various aspects of storytelling and video production. In November he hosted NMTV's first "Musical Month." Three Hollywood musicals were screened, including "Singin' In The Rain," "White Christmas," and "Moulin Rouge." After watching the films the students traced the evolution of the genre and learned what separates a movie musical from a stage musical.

#### MN Fire Hire

Eric and his crew didn't spend all month watching musicals. They also finished editing a series of short videos to help promote MN Fire Hire and Anoka County Fire Departments. In total, they produced 19 videos, ranging in length from 30 seconds to 2 minutes. The project came about after a request by Firefighter Mike Schweigert. Eric thought it would be a perfect learning experience for his video club so he agreed to oversee the production of the informational shorts. Video Club members Rick Bostrom, Joe Scholz, Laurie Sigler, Brett Wong, Aaron Miles, Fran

Sorensen, and Michele Kurak were able to work in small crews on location, observing interviewing and then shooting interviews and b-roll on their own. It was a great way for NMTV volunteers to learn new skills and produce a meaningful final product.

#### City Meeting Bookmarking Software Up and Running

The meeting bookmarking software is now being used on all requested Mmber City meetings. Programming Coordinator, Michele Silvester, works with City staff to identify the jump points for each meeting and then posts the meetings to the NMTV website. Viewers are able to click on an agenda item and are then taken to that point in the meeting. The ability to bookmark meetings has been around for a while, but usually at a monthly fee. NMTV's software was created for us as part of our website upgrade and does not have a monthly fee. The service is provided to our Member Cities at no cost.

#### PR bits and pieces

- · Shot several interviews for art series, Make.
- · Exporting interviews with burned in time-code for transcription.

- Helped with Veterans Day shoot at Blaine High School.
- Attended Metro North Chamber Board retreat.
- Completed Dixie Blue sponsor spot for use on sports programming.

Application for Payment #3 for Fire Station Project

Date:

December 10, 2015

Please find the attached Partial Payment #3. The Contractor has submitted a cost breakdown attached to the payment application. They have estimated they are about 88% complete on the project as of November 30<sup>th</sup>, 2015. At this point they have completed more than what is listed in the breakdown.

Attached is on copy of the Application and Certificate for Payment #3 for your review and consideration. We recommend that the Council approve this payment request at the upcoming council meeting. The payment amount is to JPMI Construction Company in the amount of \$40,091.52.

If you have any questions, please feel free to contact us at (612) 548-3132. Thank you very much.
