Notice: Separate permits are required for	
plumbing, heating, fireplace installation,	
fire suppression, fire alarm, electrical work	
and installation of a septic system. The	
permit shall become null and void unless	
the work or construction authorized by the	
permit is commenced within 180 days after	
its issuance, or if the work authorized by	
the permit is suspended or abandoned for a	
period of 180 days after the time the work is	
commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provision of any other State or Local law regulating construction or the performance of construction. This building permit may be suspended or revoked if the permit has been issued in error or on the basis of incorrect information supplied or in violation of any ordinance or regulation of City of Lexington.

All permit fees and other costs to review the application that are incurred by the City for professional consultants, will be paid prior to issuance of the Building Permit. Interest will not be paid out on escrow dollars and any interest earned on the account will go into the general account for administration fees.
