**\$ SAVE ENERGY \$
THIS WINTER**

- Caulk and weather-strip doors and windows that leak air.
- Install rubber gaskets behind outlets and switch plates on exterior walls.
- Caulk and seal air leaks where plumbing, ducting, or electrical wiring penetrates through exterior walls, floors, ceilings, and soffits over cabinets.

Utility Bills are sent out Quarterly in January, April, July and October. You have until the 15th of the following month to pay. Payments can be mailed, paid online visit the cities page at : www.ci.lexington.mn.us or stop by City Hall Mon~Fri 8:00am ~ 4:30pm

Garbage Cart Placement

Snowplow crews rely on residents' help to place garbage, recycling and yard waste carts behind the curb when it is trash pick-up day. Carts placed in the street interfere with snowplowing operations. Crews are unable to plow the streets from curb-to-curb when carts are in the street. If trash / recycling pickup day coincides with plowing activities, make sure your trash can and recycling bin are well behind the curb or in the driveway so the plow & the snow pushed up from the plows will not hit them.

Tree Trimming was done on all trees overhanging the roads in Lexington in November. This was done to make sure no damage or injury happens to city workers, fire department personnel or their vehicles. Overhanging branches can break windows or get hung up on vehicle equipment.

With the weather getting snowy and colder try and help out your neighbors with their shoveling of driveways and sidewalks. Do a good Deed ~ it will warm you heart

Lexington's Public Works Department would like to offer the residents on corner lots or curved streets, free curb markers that you can place directly at the curb to help the plow drivers save some sod on the first few snow falls. Once the snow banks get built up and they are wing plowed further back, the markers will get broken off and will not be needed any more. The markers will be available at city hall. You can also mark utility, cable, phone boxes etc.

With all the holiday cooking going on this time of year please check to make sure your smoke detectors are in working order. Cooking leads to over 70% of fire injuries this time of the year. Remember to change the batteries in your smoke detector 2 times a year and have one in every bedroom, in the hall outside each bedroom and on each level of your home.
